RE: RC&D Sponsorship

Once again, the Panhandle Resource Conservation and Development, Inc invites its local municipalities and nonprofit organizations to join as a Sponsor of our great local program. Your dues are a crucial part of providing support for the RC&D program in the Nebraska Panhandle, which enables us to continue the services we provide.

Becoming a Sponsor will enable you to be a voting member of our Board of Directors, so you will be a part of the decision-making process. Your involvement is needed in order to address local problems faced in the Nebraska Panhandle, and your participation will ensure the following:

- A strong public/private partnership in making the best use of limited resources.
- Bringing USDA Agencies together to focus on problems and opportunities determined by local decision-makers.
- Leveraging limited federal dollars with private funds to accomplish goals.
- Working together as a region to accomplish community sustainability.
- Achieving a balance between rural economic development and natural resources protection.

We have included an invoice that you may remit with your payment for your convenience. Also included you will find the RC&D brochure as well as a list of our current projects to see how we have been working within our local communities! More information is also available on our website at www.panhandlercd.org. If you have any questions, feel free to contact Ron Moore, Panhandle RC&D Coordinator at the above number. Thank you very much for your time and support!

Sincerely,

Joyce Mick
Program Support Assistant
